Group Art Unit 1772

REMARKS

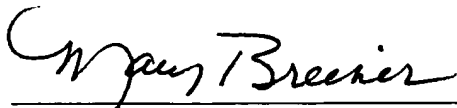

The captioned application is the U.S. National phase of International Application No. PCT/GB2004/003228. The present amendment to the claims is to place the claims in condition as desired for examination, including to better conform the claims to U.S. patent practice, e.g. correction of multiple dependencies, provision of proper antecedent basis, etc. None of the amendments are intended to narrow the substance of the claims.

Additionally, submitted herewith is a supplemental application data sheet in order to correct the street address of the second named inventor Andrew John Clift.

Favorable consideration of the application is requested.

Respectfully submitted,

MARTIN P. RIDDIFORD ET AL
